2. Fee Information for Marsland Press Journals

Marsland Press publishes several journals. To cover the cost of online hosting, Internet servicing, editing, handling, etc, it currently charges the publication fee for US\$100-500/article. Processed by different groups, the publication fees for different journals are different:

[Life Science Journal](#) (life) charges US\$500/article (no reduce for this journal).

[Journal of American Science](#) (am) charges US\$250/article (no reduce for this journal).

[Nature and Science](#) (ns) costs US\$150/article.

[New York Science Journal](#) (ny), [World Rural Observations](#) (rural), [Researcher](#) (research), [Report and Opinion](#) (report), [Academia Arena](#) (aa), [Stem Cell](#) (stem) and [Cancer Biology](#) (cb) cost US\$100/article.

We also publish supplement issues for each journal, and the publication fee can be reduced for the supplement issues (such as half cost).

If you want withdraw after your article is online, it charges US\$50 for the withdraw processing.

If you want your article published in another journal after you submit the manuscript, please let me know. For other journals, please visit the specific websites of the journals in our website: <http://www.sciencepub.net>.
